Next steps

Approving the extension

After submitting this form, your request for an extension will be forwarded to the RACGP Foundation & Research team for review. You may contacted for additional information, if required.

Extension requests are normally approved within 10 business days. If your request is approved, you will receive written confirmation of the revised project and milestone reporting timelines. You may not alter the timelines until your request for extension has been approved. To do so would breach your Grant Agreement.
