Grantholder details

* indicates a required field

Grantholder name *

Title	First Name	Last Name
<input type="text"/>	<input type="text"/>	<input type="text"/>

Grantholder email *

Must be an email address.

Grant awarded *

Year of award *

Must be a number.

Milestone: outcome report

* indicates a required field

Project details

Project title *

Date of project completion *

Must be a date.

Knowledge production

What new knowledge, insights and/or solutions emerged from the research? *

Word count:

Must be no more than 250 words.

Milestone report: outcome report

Form Preview

How many publications and forthcoming publications have resulted from the research? *

Must be a number.

You may include journal articles, books, book chapters, conference papers, and industry or government reports.

Provide details, including links where possible. *

Please indicate publication type and status [i.e. published, in press, or accepted]. If no publications resulted from the research, write "none".

How many additional publications are likely to result from the research? *

Must be a number.

You may include journal articles, books, book chapters, conference papers, and industry or government reports.

Provide details. *

Please indicate publication type and status [i.e. under review, submitted, or in preparation]. If no publications are likely to result from the research, write "none".

Provide details of any other ways the research findings have been, or are likely to be, disseminated, including links where possible. *

For example: news media, social media, websites, posters, flyers, workshops, clinical guidelines, policy briefs, commercial applications, training and education. If not disseminated, write "none"..

Impact on general practice & patient outcomes

How have the research findings contributed to healthcare delivery, policy and/or systems? *

Word count:

Must be no more than 250 words.

Provide quantifiable outcomes or concrete examples where possible.

What patient groups or communities have benefited or are likely to benefit from the research findings, and how? *

Do you have any messages you would like to share with the RACGP Foundation's donors who generously support the Foundation's grants and awards?

Please share any other comments, feedback or suggestions you may have in relation to RACGP Foundation's grants and awards program.

Consent

* indicates a required field

The RACGP Foundation may use the responses you have provided in this form to promote your research project, the grant program through which your project is being funded, and/or the activities and impact of the RACGP Foundation as the philanthropic arm of the RACGP. It may do so using RACGP's various communications channels, including but not limited to social media and the RACGP and RACGP Foundation websites.

The RACGP Foundation may also share the responses you have provided in this form with the grant funding partner (if any).

Submitting this form indicates your consent to the above.

Please indicate you have understood and accept that the responses you have provided may be used by the RACGP Foundation for the purpose outlined above *

I understand and accept

Feedback (optional)

We value your feedback!

To continuously improve the RACGP Foundation's research grants and awards program, and ensure it meets the needs and expectations of researchers in the field of general practice, we invite you to participate in this brief survey to provide us with your valuable feedback.
